Year 5 Handball

Two teams from Year 5 attended the handball competition at Oldbury Wells School on Tuesday. They all did brilliantly with the A team coming 2nd and one of our players being voted most valuable player of the tournament.

A huge congratulations to the Handball teams.

We are really proud of you!

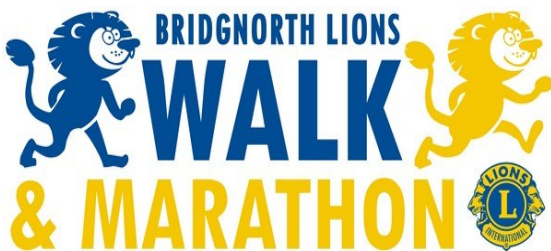

Year 5 Techathon

Some Year 5 children represented Castlefields at the Techathon competition yesterday at Shrewsbury Girls High School. They said they got to solve lots of fun codes and cyphers and they had a great time.

Their behaviour, as always, was exceptional.

Plas Caerdeon

We are really excited to hear all about the epic adventures our Year 6 children have had while on their residential visit to Plas Caerdeon this week. They have been climbing, kayaking and had fun on the beach.

It sounds like they have thoroughly enjoyed themselves.
