17th June 2025

What a brilliant day we had for Sports Day on Wednesday. It was wonderful to see all of our children - from nursery to Y6 - taking part, having fun and showing determination and sportsmanship across all the events they completed.

Congratulations to all of our individual winners. The winning house will shortly be announced !!

National Swimming Championship Finals

Big congratulations to our National Swimming Team who attended the National School Swimming Championships in Sheffield this weekend where they competed in two finals. To make the freestyle relay, they improved on their region qualifying time. The team made it into the B final and did an amazing swim against some very tough competition, coming 7th. To make the medley relay, the team improved over 6 seconds on their region qualifying time. This is the third year they have made it to the Sheffield finals. All the children represented the school amazingly both in their swimming ability and their behaviour.

Year 6 Crucial Crew

Year 6 very much enjoyed the annual Crucial Crew event at the Rugby Club this week.

Reception's Marvellous Men Morning

This week Reception had a wonderful time celebrating the Marvellous Male event. It was a special opportunity for the children to spend quality time with the important male figures in their lives; whether it was a dad, grandad, uncle, brother or another special person. The morning was filled with fun and laughter as everybody took part in a variety of sports and active games, encouraging teamwork and shared enjoyment. The children loved showing off their physical skills and sharing the experience with their guests.

Afterwards the children proudly took their visitors on a guided tour of their classroom. They showed off their favourite areas, shared learning and talked about exciting activities they had been doing in school. It was heart warming to see the pride in their eyes as they introduced their special person to their school environment. Thank you to everybody who attended. It was a truly memorable day for both the children and adults.

Year 2 Caterpillar Update

Year 2 have been excitedly watching the caterpillars and this week, have seen them each make the big change into a pupa. The five caterpillars have shed their skin and they have all now formed a chrysalis and attached themselves to the roof of the pot. What an amazing metamorphosis for everyone to witness.

Animation Competition

Well done to Xander, Alfie, Greyson, Jack G and Jack W in Year 6 for their entries to the TrustEd Animation Competition. Winners to be announced next week.
