Communication & Language	This is developed throughout the year through class discussion, story times, show and tell daily phonic sessions, PSED circle time activities and singing. There is a focus on introducing new vocabulary associated with the half termly topics and in the classroom the adults model language structure and use a rich range of vocabulary.					
Personal, Social and Emotional Development	Integral to their educational development and wellbeing, this is taught in specific circle times and throughout the day by ongoing themes of establishing class and school routines, friendship and co-operation, feelings and emotions, respect, kindness, and helpfulness, coping with anger and frustrations, developing resilience and perseverance.
