NORTHGATE SWIMMING CLUB

Come and join the 'Gators'

We are a competitive Swimming club with sessions at both Bridgnorth Leisure Centre and Much Wenlock Leisure Centre.

Our coached swim groups cater for all ages and abilities with swimmers ranging from five years through to our master's section – whose ages it would be impolite to mention.

As a family orientated club we recognise that all swimmers are different and we pride ourselves on helping them all to reach their full potential.

Our annual gala and 'diddy' gala provide a fun background to experience competition and we have a number of swimmers that compete at county level and some aspiring to national standards.

The aim of the club is to coach swimmers in this valuable life skill and develop individual potential & talent.

We have vacancies commencing this month for swimmers who are water confident and able to swim 25m unaided as well as more seasoned swimmers

If this is you and you are interested in joining Northgate Swimming Club then come along to one of our free taster sessions for an assessment. To find out more please email:
