

Castlefields Primary School, Castlefields, Bridgnorth, Shropshire WV16 5DQ

8th April 2022

Have a a Happy Easter and we will see everyone back for the Summer Term on Monday 25th April.

PTA News

A huge thank you to the PTA for supplying Easter Eggs for all of the children.

Summer Fayre

The PTA are very pleased to announce that there will be a Summer Fayre this year which will raise valuable funds for School. However, they need as much help as possible however big or small! They will be meeting at **7.30 pm on Thursday 27th April** in the School Hall to plan for the Fayre: everybody is welcome!

Bingo Night

Thank you to everybody who donated and supported the Bingo Night in School. The PTA made a fantastic £612.85!

Sporting news

Well done to our indoor athletics teams who competed on Tuesday and showed great teamwork, determination and skill.

Year 3 had a super day at William Brookes where they took part in a County Sports Festival.

Castlefields Primary School, Castlefields, Bridgnorth, Shropshire WV16 5DQ

Extra Special News

Congratulations to Mrs Mackey who will be getting married this Easter. We wish her and her new husband the best of luck and look forward to welcoming the newly named Mrs Cooper back after Easter.

Local Clubs and Holiday Activities

Don't forget that the School Website has a page for local activities and clubs. There are lots of events taking place over Easter.

Shropshire Council is also running an exciting holiday programme this Easter from sports, arts, cooking etc. There are free spaces for children who are eligible for free school meals: please see their website for full details.

Castlefields Primary School does not take any responsibility for approving these events/clubs but you may find them of interest.

Bridgnorth Walk

There is still time to join the Castlefields Crew! We now have a team of 56 but there is still time to join the Castlefields Crew. Please Hannah Pritchard on 07500 113 688 if you are interested in joining.

This year we will be raising funds 50/50 between the School and The Harry Johnson Trust.

Covid-19 update

We have received new Covid guidance from the Government :

Children and young people who are unwell and have a high temperature should stay at home and avoid contact with other people, where they can. They can go back to school, college or childcare, and resume normal activities when they no longer have a high temperature and they are well enough to attend.,

Bridgnorth Town Juniors – Bootroom Initiative

Bridgnorth Town Juniors are committed to making sport affordable and accessible for all. Having access to the correct kit should never stop our children being able to play. We all know how expensive it is to buy and how quickly they grown out of it. Most of it still has a lot of life left when they move to the next size up.

This where we can all help. If you've got used, outsized or just unloved boots, trainers, gloves, shin pads, warm base layers clogging up cupboards then please donate them to us. We'll then look to recirculate them throughout the community to those that want them or need them.

Not only that we'll be all be trying to do our bit to stop items ending up in landfill. You can just donate, trade up a size or just send us a request. All we ask for is a voluntary donation to help run the programme if you can – but it's not essential – we just want kids to get out there and take part in sport!!

We are calling this programme **#BOOTROOM**.

What can you donate?

Used, out-grown or just unloved football boots & trainers, sports trainers, Shin Pads, Goalkeeper Gloves, Base layers, etc. Just nothing damaged please.

Where can you deposit your used kit?

Just contact us through our Facebook page, website or email us at info@bridgnorthjfc.co.uk. We'll arrange drop off or pick up. We'll also be looking to have recycle bins available in various places you can just drop kit into.

Who can access the equipment?

Anyone - without question!! Just contact us and we'll let you know what's available... and if the shoe fits... just wear it!! We are also working with the council and local agencies to try and reach those that are finding times tough.

How Schools can help.

It would be great as a school if you could promote this initiative within your parents and children. We think it's a great way to help them learn about sustainability and keeping stuff out of landfill. If you have any referrals them we'd be more than happy to help where we can. The initial objective is to try and collate as much as we can so that we have stock of kit that we can then distribute as and when needed.
