Happy New Year

We have had a lovely, settled start to 2024. It was great to see the children back in school, talking about their holidays and enjoying time together. We hope you all enjoyed your break.

Absence Line

A reminder, please, if your child is poorly can you call the absence line as soon as possible. If we do not hear from you, we will send a text and try calling you. This is to ensure your child is safe. We really do thank you for your help in this matter.

School Values

You will have seen that we have been reflecting on the values and virtues that we use as a lens for everything we do here at Castlefields. As we consider those that are right for our children, school and wider community, we would love to get your input and perspective into the values you believe we should focus on most.

What should the most important values and virtues be at Castlefields Primary School? We really do want to hear from you!

Please complete the online form, or use the QR code (on ClassDojo) to give your input and have your say.
