### ***Admissions Priority***

- Children are admitted to Nursery, according to criteria laid down by TrustEd (TrustEd Schools' Partnership) following the guidelines of Shropshire Council.

**Children with an EHCP which names a particular school will be allocated places, after which places are allocated according to an agreed set of criteria in strict order of priority.**

**Priority 1:** Looked after children and former looked after children (who are adopted) as long as they have an eligible birthdate but who need not reside in the school's designated catchment area.

**Priority 2:** Children already attending nursery who wish to change the sessions they are attending or increase their sessions if they are not taking their full entitlement.

**Priority 3:** Children living in the school's designated catchment area who have a sibling in the nursery or school and that sibling will be attending at the time the younger child starts nursery. If new places are limited, priority can be given to older children.

**Priority 4:** Children living in the school's designated catchment area without siblings at the nursery or school. If new places are limited, priority can be given to older children.

**Priority 5:** Children out of the school's catchment area with siblings in the nursery or school at the time the younger child starts nursery. If new places are limited, priority will be given to the children living closest to the nursery. (Distance from home to school measured as a straight line on a computerised mapping system).

**Priority 6:** Children out of the school's catchment area without a sibling in the nursery or school. If new places are limited, priority will be given to the children living closest to the nursery. (Distance from home to school measured as a straight line on a computerised mapping system).

Each nursery class should have a timetable as to when you can apply for a place and when the decision to offer a place will be made. There is not transport assistance to any nursery setting.

**Attendance at a particular nursery gives no guarantee that the child will gain a place at the school where the nursery is located.**

The child's usual home address determines whether they are in a particular school's designated catchment area.

- In the event of Nursery being 'over subscribed' parents may request that their child's name be put on a waiting list. If some sessions have spaces, we may be able to offer your child a place at Nursery, but only on the days we have available. Should a place become available the following term, allocation will be made according to the criteria above.
- In the event of a child moving from another Local Authority into the catchment area mid-term, a place could only be granted if available according to the criteria above.

### ***Session Priority***

Once your child has been offered a place at Nursery, parents can book their sessions. Session places are allocated according to the following priorities:

- The existing session arrangements of all children in Nursery will be upheld whenever possible.
- For new intake children sessions will be granted on an availability basis, according to the above criteria
