WEEKLY NEWSLETTER Friday 2nd October 2020

Dear Parents and Carers

Parents Evening

You should have had a letter containing information about the Parents' Evenings that are taking place next week. Teachers will be sending home a note of the time and date you should expect a call from them. They have worked hard to arrange appointments as close to the preferred time, but this has not always been possible. Please try to stick to the 10-minute appointment time.

Recycle 4 School

Recycle for School will be collecting from school on Tuesday 6th October 2020. Please bring your bag (or bags) to the school car park on Tuesday 6th October 2020 from 7am.

Remember the bag can include:

- adults' and children's clothes
- shoes (tied together please)
- hats, belts and handbags
- soft toys

Stone Age Menu

Year 3 and Year 4 are studying the Stone Age in History this half term and thoroughly enjoying reading "Stone Age Boy". To celebrate the work they have been doing, we have a special Stone Age menu on Thursday. Please see the flyer below.

Head Lice

We have been informed that there are cases of head lice in school. Please ask all members of your family to check their hair over the weekend. Please remember that long hair should be kept tied up. There's no need to keep your child off school if they have head lice.

Clothing

Please remember to ensure your child has a named waterproof coat with them. Unless the weather is absolutely torrential, children will be outside during breaktimes, PE lessons and Woodland School. Please ensure your child has appropriate clothing - thank you.

Scooters, bikes and considerate parking

A number of people have contacted school recently about parking on Castlefields Road. We ask that parents and carers do not park here. This helps to keep pavements clear for pedestrians to socially distance and people do not have to walk around opening car doors. Where possible we would ask you to keep to the right-hand pavement.

Many children are coming to school on scooters and bikes. Again, a number of people have been in touch with the school, raising concerns about road safety. Please ensure that your child is aware of how to cross a road safely.

Yours sincerely

Mrs R Lee
Headteacher
