Head Teacher: Mrs J Hampson

19 June 2020

Dear Parents and Carers

Hopefully you have all seen the transition letter on ClassDojo with the dates for children to come into school for a visit. We have sent texts to Year 4 and Year 5 children who will be visiting next week informing them which day they are invited in. Next week we will send texts to the other year groups. Let's hope the weather is kind to us so we can all picnic and have fun outside with the new teachers.

Booking Spaces

We are now really full in all of our hubs so cannot take any more children but we would encourage you to take up the offer of the transition visit. Sorry we cannot accommodate any more children but we do not want to get complacent with the social distancing, hand washing routines and deep cleaning and we can only maintain these with the numbers we have in each hub. Thank you for your understanding.

Celebration Assembly

I hope you managed to watch the Celebration Assembly this morning. I forgot to mention Chloe Lawson has received her prize from the Shrewsbury Bookfest Letter Writing competition. Well done Chloe. She wrote to Gizmo a character from the book "What's that in dog years?" It was an excellent letter.

I was pleased to mention the coders who did an amazing job under the instruction of Mr Smith and Mr Pitt. Thanks to both for giving up their time after school to run the coding club.

It was also good to hear about the children who have been on Languagenut lately. Well done. It is a good time to extend our knowledge of things we don't always have time to do. Learning a language is really good for your brain.

Distance Learning

ClassDojo is still working well and teachers have started to add a few videos of themselves each week. It is nice for the children to see their teachers.

Don't forget if you have any problems with distance learning phone school or email me at head@castlefields.org.uk and we will try our best to help.

Mrs Hampson's Challenge - I've had a few entries but not many - have a go!

I would like to put up a display in the school entrance hall of children and families doing outdoor activities. It is called the JUST A MINUTE challenge. Can you send in a photo and brief description of what sporting activities you can achieve in one minute e.g. star jumps, bunny hops, jogging on the spot, sit ups etc. I am sure you can be very creative. Send your photos by email and I will print them off and make the display. In September when you come back to school (in whatever form that might look like) you will be able to see them all.

End of year reports

Teachers are preparing end of year reports that will come out on Tuesday 14th July. They have been written based on where children were in March as it is difficult to tell who has worked independently at home and who has had a lot of help. Either of these is fine but we do not feel we are in a position to comment on recent progress. More details will come out with the reports.

**Enjoy your weekend with Father's Day. Hopefully the weather will be kinder than it has been yesterday and today.
Keep in touch and stay safe.**

Yours sincerely

**Mrs J Hampson
Headteacher**
