

## TrustEd - Scheme of Delegation (2024)

This Scheme:

- sets out the Trust's approach to delegations between the different layers of governance within the Trust and is a delegation by the Trustees under the Articles of Associations of certain powers and/or functions as detailed below;
- confirms which powers and functions are reserved to the Trustees;
- should be read in conjunction with the Trust's Committee Terms of Reference;
- may only be altered or revoked by the Trustees.

In A MAT Trustees are responsible for Governance and hold ultimate responsibility for the quality of education in all the Trust's schools. This responsibility is discharged through appropriate delegation to committees and LGBs, with support and challenge provided by executive leaders.

The Trust's Scheme of Financial Delegation, which the Trust is required to have under the Academy Trust Handbook, is set out in a separate document and also supplements this Scheme in respect of the delegation of financial powers and the operation of robust internal controls.

The Trustees and members of the Local Governing Bodies (LGBs) may be asked to serve on a committee for a purpose outside of their usual delegated responsibility.

The Trust Board and the Local Governing Bodies will conduct all business through their schedule of meetings except where a delay in exercising a function of the Trust Board or a Local Governing Body is likely to be seriously detrimental to the interests of one of the Trust's schools, a pupil attending one of the Trust's schools (or their parents) or a person who works at one of the Trust's schools. In such circumstances, the Chair has the authority to carry out functions on behalf of the Trust Board or relevant Local Governing Body. The Vice Chair has this authority where the Chair is absent. If the Chair takes action under these circumstances, they will first consult with the CEO (or in the case of a LGB Headteacher), or any other relevant source of guidance. The Chair will also report on any action taken to the Trust Board or relevant Local Governing Body as soon as possible after the event.

The Scheme is divided into four sections as follows:

1. Strategy & Leadership;
2. Education & Curriculum;
3. Financial;
4. HR & Operations;
5. Combined.

To assist interpretation of the matters delegated in the Scheme it uses defined phrases which are supplemented by additional comment as appropriate. The defined phrases should be given their common meaning but for the avoidance of doubt an explanation can be found on the final page of this Scheme.
