Dear Parents and Carers

8 November 2019

Mobile Telephones

As you are aware we allow our Year 6 pupils to bring their 'phones to school with them so that as they develop their independence and walk to or from school without an adult, they have a means of contacting someone if needed.

The rules around this privilege are clear and pointed out to the children as they enter Year 6. The rules are that the 'phones are not allowed to be turned on, on school premises as this can cause all sorts of problems if children are silly. Children need to turn their 'phones off once they enter the school premises through whichever gate they come in through and not turn their 'phones on again until they leave through the school gate. As parents I think it would also be sensible to be encouraging your child not to use their phones whilst walking home due to road safety.

Sadly, we have had children who have broken this rule this term. As a result they have had their 'phones confiscated. Children will be banned from bringing their 'phones to school if they break these rules. We have spoken to all of year 6 again about this and explained the reasons for all this security. If the children stick to the simple rules they will be able to continue to bring their phones in their bags but turned off.

We ask for your support with this and would ask that you and your child sign the form below to show your support.

Many thanks.

Mrs Hampson and Mrs Lee
