Dear Parent/Guardian

20 October 2020

'Stepping Out' Pedestrian Training for Year 3 - Wednesday 18 November 2020

Your child is about to take part in a basic pedestrian awareness scheme provided by Shropshire Council, which involves a roadside walk in the vicinity of the school. This will be led by Mr Ray Hughes, Road Safety Officer (WSP on behalf of Shropshire Council) with staff support.

We need your consent for your child to take part in the supervised walk.

The Road Safety Officer will be complying with the school's systems for managing and minimising risk in light of Covid 19. This will include working with class bubbles, observing social distancing and only working with the children outside the school building.

It's incredibly important that children continue to keep active even now, both for their wellbeing and to avoid storing up future health problems. Stepping Out training aims to teach children how to walk safely near traffic and when crossing roads. This will also prepare them for their first independent journeys and the transition to secondary school.

I hope that you will take every opportunity to reinforce the road safety work your child will be doing in school. Further information on the scheme is available from Ray Hughes, Road Safety Officer at ray.j.hughes@wsp.com

Yours sincerely

Mrs R Lee
