## WEEKLY NEWSLETTER Friday 28<sup>th</sup> October 2020

Dear Parents and Carers

I wanted to start by saying a huge thank you. This has been a very different start to a new year at Castlefields Primary School, but it has been made so much easier because of you and your children.

### Lunches

We have worked hard this half term to change school lunches in school. We started with sandwiches served in classroom and have now progressed to a full menu. After half term, we will also be able to offer a daily vegetarian option. I would like to thank Caterlink, and especially Jane Lendrum in the kitchen, for working so hard to adapt and listen to the needs of parents and children. There is a brand new menu at the end of this newsletter which will take us up to Christmas.

### Clothing

As we move into colder weather this is a reminder to ensure your child always has a named waterproof coat with them. Unless we have torrential rain or a severe weather warning, children will be outside during breaktimes, PE lessons and Woodland School. Please ensure that outdoor PE kits are as close to the Castlefields colours as possible, especially if you are purchasing new kit.

### Covid-19 Updates

As the cases of Covid-19 continue to rise both nationally and locally, we advise that parents please wear a face covering when dropping or collecting their child from school. This is in addition to the social distancing of 2m between people from different households that is already in place. Schools have been advised to request that parents and carers continue to notify them of suspected and confirmed cases during the half term break. Please contact me at: [head@castlefields.org.uk](mailto:head@castlefields.org.uk) if you feel you need to notify me about a suspected or confirmed case.

### Staggered Starts and ends to the school day

We have been very grateful for your patience regarding the staggered starts and ends of the school day. You will understand how important it is that these times are strictly adhered to. They help us to keep your child within their protective bubble and are a key part of our risk assessment in school. Please could you ensure that anyone who is involved in the dropping off and picking up of children is sticking to these times.

	Arrival	Departure
Nursery	8.50	11.50
Reception	8.50	2.50
Year 1 and Year 2	9.10	3.10
Year 3 and Year 4	9.00	3.00
Year 5 and Year 6	9.20	3.20

### Harvest

A huge thank you to you for all of your Harvest donations. Bridgnorth Food Bank were overwhelmed by your generosity.

### Poppy Appeal

After half term we will be supporting the Poppy Appeal by selling poppy accessories. More details to follow.

### Catherine Galloway

We said a fond farewell to Mrs Galloway who has helped and worked in school for many years.

### Drop Off/ Collection at School - Including Nursery

Please can we ask that children, especially younger siblings, do not play on the school grounds during drop off/collection. I am sorry, but these areas are used for specific 'bubbles' and we need parents to promptly exit the school grounds to avoid any back-log. Please can we also ask that parents/carers do not use the school car park.

Yours sincerely

Mrs R Lee  
Headteacher

**ALLERGY INFORMATION:**  
If your child has an allergy or intolerance please ask a member of the catering team for information. If your child has a school lunch and has a food allergy or intolerance you will be asked to complete a form to ensure we have the necessary information to cater for your child. We use a large variety of ingredients in the preparation of our meals and due to the nature of our kitchens it is not possible to completely remove the risk of cross contamination.
