Head Teacher: Mrs R Lee

13th November 2026

Children in Need

It was lovely to see all the children in school today sparkling and spotty!

Thank you to Mrs Pitt who created some special spotty cakes too!

https://www.justgiving.com/page/castlefields-primary-children-in-need-2026

We have raised £166 for charity!

Attendance Cup Winners

Well done this week to Year R with 98.5% and Year 4 with 97.3% winning the Attendance Cups this week which were presented to the classes at the Celebration Assembly today.

Book Fayre

Thank you to everyone that purchased books in last week's book fayre.

We made a fabulous £331 for the school to spend on new books from Scholastic. The librarians made a wish list and lots of these items have been purchased for the new library.

Remembrance

Well done to Year 6 who led a fabulous Remembrance Day Assembly on Tuesday.

The tone was reflective and respectful and it was wonderful to hear the children share family stories and poems.

It was also beautiful to see the whole school come together and pay our respects during the 2-minute silence.

On Wednesday, Year 6 joined Bridgnorth Town Council and other local schools at the Castle Grounds for a Remembrance Service where each child was invited to leave a poppy as a mark of respect.

Year 5 Pioneer Trip

Year 5 have had a fabulous time on their residential trip to the Pioneer centre this week.

We look forward to hearing all about it!

Year 2 Georgraphy

Year 2 had a very exciting Geography lesson this week where they took part in a live lesson from Antarctica. They got to see a variety of different penguins and other animals in their natural habitat. They also listened to interviews with people who are working in Antarctica and found out what it is really like to stay and work there.

Craft Club

The children have been enjoying Craft Club this term.

They created some lovely artwork for Bonfire Night.

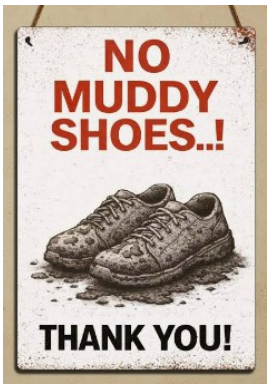

Winter Weather

As we approach the colder months, if there is snow and school can open, we will. If we do have to close due to the amount of snow-fall we will let you know by text and ClassDojo whether school is open or not. We will also put a notice on the website as soon as possible. There will be announcements on Shropshire Radio but these can take a long time to filter through. If school is able to open, please send your children in well-equipped with wellingtons or snow-boots, trousers, warm/ waterproof coats, hats, gloves etc. A change of footwear for indoors is a good idea. We will, wherever possible, get the children outside enjoying the snow.

It is very important, especially at this time of year, that all children have a a 'named' waterproof warm coat, gloves, hat etc **at all times** with them as they do go outside to play at break and lunchtimes.

KS2 : School Field

A reminder to send in a spare pair of shoes/trainers for your child to use at break-times
Without spare shoes, ***they will not be allowed on to the field*** due to the amount of mud being brought back into school.
Thank you.

YOUR PTA IN ACTION – MAKING A DIFFERENCE TOGETHER!

The poster below highlights some of the fantastic events we held during 2025/26, the **£8,875 profit we raised**, and how we've put money back into our school and the children's experiences.

But did you know that over the last two years we've also funded the coach transport for the Year 5 and 6 residential trips? Without the PTA, this cost would otherwise have been passed on to parents.

We need your help to keep this going!

Our events aren't just about raising money; they're about bringing children, families and our wider community together. But we can't run them without volunteers. You don't need to commit lots of time – helping at just one event, donating a prize, buying a raffle ticket or offering support through your business can make a real difference.

Looking ahead!

We want to make an even bigger, longer-lasting difference to the children's school experience. We're working with the school to explore future projects, including contributing towards classroom air conditioning to help keep children comfortable during increasingly hot summers, new Forest School equipment to enhance outdoor learning, and working with teachers to identify projects and resources that could enrich learning in the classroom.

The PTA makes a difference, but we can't do it without you!

If you'd like to get involved, offer business support or simply find out more, please email castlefieldspta@gmail.com.

Thank you to everyone who supports us, in whatever way. Every little bit really does count!

Colour Raffle Donations

Please see above details for Friday's Winter Fair donation day.

This will be in exchange for non-uniform.
