Walk to School

We are still requesting that, whenever possible, you walk to school. I have spoken to the children in Year 5 and 6 about using their scooters safely on the way to school. If I continue to hear from concerned parents that children are not using their scooters safely then I will have no choice but to ban them. I do not want to take this action, but I have everyone's safety as a priority.

Christmas Cards

This year we are unable to have a school Christmas post box. Instead we are asking that cards come into school no later than the 11th December. That way we can quarantine them before giving them out.

Elf Day

A reminder that Elf Day is on Friday 4th December in aid of the Alzheimer's Society. Children can come to school dressed as an elf or wear a Christmas jumper to school if they would prefer.

Winter Uniform

We are continuing to take children outside for play and lunch times as much as possible. They need to have enough layers to stay warm. You may also wish to consider the shoes that you send them into school in. Unfortunately there are times when they will have to play on the field regardless of the mud. This is so we can protect our 'bubbles'.

Mobile Phones

A reminder that only our Year 6 children are allowed mobile phones in school. They must be turned off before entering the school grounds.

Tik Tok

We doubt that this will affect any children at Castlefields as Tik Tok's minimum age is 13 but for those families with older siblings, we have been advised that a disturbing and controversial film called 'Megan is Missing' is currently being circulated on Tik Tok.
