French Day

On Wednesday 19th May we will be having a whole school French Day. Each class will be involved in different activities linked to French Day. As part of our French Day, we would like the children to colour or paint a French flag at home which will be used to make bunting to decorate each class. We have attached a simple template. French Day will be a non-uniform day with children encouraged to wear the colours of the French flag - blue, white and red.

Children in KS2 could make a special effort on Languagenut over the weekend and on French Day to raise our school's position in the School World Ranking list - Castlefields school is currently at number 529.

Thank you for your support and we look forward to celebrating French Day on Wednesday.

Class Photographs

A reminder that Dave Liddle will be in school to take class photos on Monday 17th May.

Changes from May 17th

We have now been issued the latest Government guidance for school, that will coincide with the national changes from Monday. There are very few changes to the Risk Assessment in place in primary schools. Teachers will continue to wear a mask where social distancing is not possible but will not be required to wear one while teaching. We are still asking that parents and carers wear a mask and observe social distancing measures on school grounds.

The staggered starts and ends to the day are remaining.

We are now able to take more children into Wrap Around Care including Breakfast Club, so please call the school if you require a space.

Join the My School Fund initiative to help boost our budget.

We are pleased to announce that Castlefields Primary School is part of the 'My School Fund initiative'. This innovative scheme allows us to boost our school's budget with your help.

How does it work?

Parents, guardians and carers can sign up to the scheme for free and start earning cashback on the things they buy in participating retail stores, including Sainsbury's and Argos. As you spend, you'll receive 2% cashback in the form of eGift vouchers that can be redeemed in participating stores. By adding a credit/debit card and linking your spend to our school on the My School Fund website we'll also earn 1% cashback on your spend.

Add that all up across our school's network of families and together we can all make a big difference!

How to get involved

Visit www.myschoolfund.org to register for free, link to Castlefields Primary School and add your credit/debit card. From there, everything you spend in participating stores will go towards helping boost our budget, plus your own!

Adding a credit/debit card

Once you have registered you will be asked to link a card to your My School Fund account. This information is protected using bank level encryption. The site does not ask you to provide any card information that will allow anyone to make a payment on your card - i.e. it does not ask for the card security code (CVC or CVV). More information about data protection and security is available in the FAQs section of the My School Fund website when you are logged in to your account.
